Brutal Facts and End Vision

Percentage of believers engaged in sharing Jesus

- Statisticians estimate that only three percent of evangelicals participate in evangelism. That means ninety seven percent of born-again believers are sitting on the sidelines. Only a small fraction of the church carries out the Savior's command to seek and save those who are lost. The command is clear in Scripture, yet it stands unfulfilled. Something is terribly wrong! [Howard A. Tryon, *Praying for You: A Workbook for Reaching Others Through Prayer* (Grand Rapids: Kregel Resources 1996), 34.]
If this was true then, do you think more or less Christians now are sharing their faith?
- "Several experts suggest that ninety five to ninety seven percent of American Christians do not share their faith with others." [Will McRaney Jr., *The Art of Personal Evangelism: Sharing Jesus in a Changing Culture* (Nashville: Broadman and Holman Publishers, 2003), 5.]

Immediate Follow Up

Acts 2:38-42

In this passage, let's answer 3 questions.

- 1) For whom is this gospel message?
- 2) To embrace God's desire for even those far off to have the Holy Spirit, what do we see those who wanted to follow Jesus doing?
- 3) What is your next step?

Sample Script of Immediate Follow Up

“Now that we have seen this let’s look at the first followers of Jesus and what they did. Let’s look at Acts 2:38-42. I’ll read it out loud and you try to answer 3 questions. 1) What does God want, in other words, what is the extent of His desire? 2) What did those who heard and responded to the gospel do? 3) What’s your next step?”

“Now that we’ve read Acts 2:38-42, what do you learn about what God wants for all people?”

Well, I see in verse 39, the promise is not just for me and my family but for those far off. God wants all, even those far off to know about Jesus and receive forgiveness and His Spirit.

“You got it. These new followers of Jesus were being told right away that forgiveness and a new spirit was for everyone, even those far from them. Now, let’s see what these people who heard the gospel did and were to do.”

I see in verse 38 that those who were forgiven were to repent and each one be baptized if they wanted to be forgiven. They received the Holy Spirit. And like I said, in verse 39 the Holy Spirit is for others and then in verse 42 it says they devoted themselves to a few things.

“Great. Those are the actions we want to focus on. We will take some time to learn more about these. They had a few people help them obey and make new disciples. I’d like to meet with you to help you grow in obedience and love for Jesus and help you with this new purpose God has called us to pursue. Let’s look at verse 38 a little more closely. Some people believe that in order to be forgiven they need to do some religious activity like be baptized.”

Yeah, that’s what it looks like.

“I can see why it looks like that but think of this. If you take 2 aspirin for a headache do you take aspirin to get a headache or because you have a headache?”

It’s because I have a headache.

“Right. So if someone responds to Jesus being God’s Son who died for them and receives His forgiveness, that’s why they are baptized, not in order to be forgiven. There is a story of man who was traveling, reading some Old Testament prophecies about the Messiah and God sends a stranger to Him. This stranger explains that he could receive forgiveness through Jesus because Jesus is the Messiah. It’s much like what we’re doing. After he receives Jesus, they find water so he can be baptized. Do you know the importance of baptism after you voluntarily receive Jesus and His forgiveness?”

No, not really. I always thought it was something you did to join a church or something big like that.

“In the book of Romans, chapter 6, it’s a sign that we identify with Jesus dying and then rising from the dead. Now we identify with Jesus and get baptized because we identify that we have died with Jesus Christ and arise to walk a new life. Some people are baptized when they are little but when they make the decision to receive Jesus they get baptized like Jesus to claim their identity in Christ. Do you know where there’s enough water to baptize you?”

Sure, let’s go.

“What does it say happened next? When can we meet again so we can continue to grow with Jesus?” 18

Feedback and Critiquing

Providing feedback to those you are training is critical. Whenever we have someone do something we want to get in the habit of celebrating what they did well, and gently providing constructive criticism in the area in which they could improve. Below is a good model to follow when providing feedback:

1. Ask them what they think they did well. Affirm them in what they say.
2. Ask them what they think could have been done better. Ask them what they would do differently next time.
3. After they evaluate themselves, provide feedback for them. Start by highlighting all the things they did well.
4. Only after that, provide one or two areas of improvement for them.

Pattern of Care with First Lesson

In joining God on His mission to reconcile the world, Jesus makes it clear that we must teach disciples to obey all His commands (Matthew 28:20). To do this, there are four elements of this meeting format worth pointing out: Loving Accountability, Vision Cast, Practice, Set Goals & Pray for the Lost. These four elements are essential to making disciples who embrace their identity with Christ and multiply disciples. Without loving accountability and goal setting, the gathering will become a content-heavy meeting with little to no obedience. Without practicing what is taught (and teaching something simple enough to be practiced) it is hard to expect disciples to reproduce what they are learning. We see all four of these elements throughout Jesus' ministry in the Gospels. To study just one example, read Matthew 9-10. In chapter 9, Jesus models how to advance the kingdom by praying, healing, casting out demons, and proclaiming the good news. Then, He gives His disciples authority and instructs them to do the exact same thing in chapter 10 (also Luke 9-10). After going to the towns where Jesus sent them, they were accountable to report back to Him. Jesus was teaching and modeling a pattern of discipleship, which His disciples were able to practice throughout the Gospels, and continue reproducing in Acts. Jesus multiplied Himself by teaching His disciples and having them do likewise; He taught them to know Him and obey what He said. In the same way, we can teach simple biblical tools and stories which every disciple can practice and obey. Each week there will be a new command of Jesus, and new story that illustrates this command. In the practice portion, each person will practice retelling the story to someone in the group. Through practicing, disciples will begin to build confidence and competence to obey Jesus, share Him, and continue the pattern of making more disciples. Without practice, it is difficult to expect disciples to multiply. So each time you connect for discipleship, church gathering or leadership training, if you are short on time, don't skip:

Loving Accountability, Vision Cast, Practice, Set Goals & Pray for the Lost

Tips for Pattern of Care

Here are some tips as you get started on your journey to train trainers who train trainers.

- Stick to the Bible stories. What does this passage actually say as opposed to other passages? Focus on what this passage says. Stick to the Bible story that you are studying.
- As a trainer, you should plan to talk no more than 30% of the time. Let your group talk the remaining 70% of the time.
- Let the Holy Spirit work rather than looking for right answers.
- Stay on topic; don't chase "rabbits" (subjects which are appealing but off topic).
- Don't dominate the conversation; let everyone participate.
- Don't make long, religious prayers.

For Yellow Lights:

Tips are the same as above except:

- Instead of setting gospel sharing goals, set a goal to share the story.
- Ask them if they have been reading the Bible, especially the chapters you have assigned them.
- Ask them if they have been asking God to show Himself to them as you have encouraged them to do.
- Ask them if they have shared the story or have a friend that would like to join them.
- Your vision cast should be an example of what happens when someone does choose to follow Jesus.

Vision Casting 101 – What it is, How to do it

Vision Casting Stories - Describe through image, story, or lesson, what God can do in and/or through believers to impact lostness, expand God's Kingdom and why we should urgently share the gospel.

We see in Acts 2 that not only did the early Christians want all of Israel to know for certain that Jesus is the Messiah and they could be saved, but in verse 39 we see that the Holy Spirit is for all, even those who are far off. That's what we want, too. We see there were certain practices that those of a similar faith as us did. We want to follow a similar pattern and believe that God will do with us as He did with them. That's why we look for ways to repent, to identify with Jesus beginning with baptism, surrender to the leading of the Holy Spirit and the Word, share the gospel in a simple way so that they can share the gospel with their friends and family, and be united to continue to grow until there is no person left who hasn't heard the gospel. Isn't that what you want?

Precision Harvesting (Leadership Filters of Jesus)

Examine Jesus' ministry and determine who He spent the most concentrated time with.

How did Jesus filter to find those He would be with (Mark 3:14)?

Verse	Filter	Decision to Make
Matthew 10:32-39, 12:46-50		
John 3:1-15		
John 6:52-71		
Matthew 13:10-17, 34-35		
Mark 4:1-12, 26-34		
Matthew 7:21-23		
Mark 10:17-27		
Luke 6:46-49, 9:23-27		
John 12:24-26		

We have found that obedience based discipleship, accountability, vision casting, and practice until disciples become confident, competent, and committed is a natural way to filter for laborers like Jesus did. The Pattern of Care basically selects out future laborers for you.

There are spiritual disciplines all Christians are to do. There are disciplines of maintenance such as.....There are also disciplines for deepening, especially when we think we are “stuck”, like when the Israelites were up against the Red Sea.

PRAYER AND FASTING is a discipline for deepening. Look up the following passages and see: Who fasted? Why did they fast? What was the result of the fast? From what did they fast? How long was the fast?

	WHO?	WHY?	RESULT?	FROM WHAT?
HOW LONG?				
Exodus 34:27-30				
Judges 20:22-28				
1 Samuel 7:3-11				
2 Samuel 12:15-23				
Ezra 9:9-10:14				
Esther 4:12-17,8:1-2				
Psalms 35:13-28				
Jeremiah 14:11-12				
Daniel 9:3-5,19-23				
Matthew 4:1-11				
Matthew 6:16-18				
Matthew 9:14-17				
Luke 2:36-38				
Acts 13:1-3				
Acts 14:23				

From the observations you and your friends made give a summary statement about who fasted, why they fasted and the result of their fasting.
